Hidden Acres Family Campground may be hidden, but that is just one of the many great features that will keep your family coming back year after year. Just sit back, relax and soak up some sun beside the Quinebaug River, or if you're feeling a bit more adventurous, grab a tube and jump on in! For the anglers among us, grab your pole, cast your line and bring in 'the big one'. However, if all that water is a bit much, there is always something for everyone at **Hidden Acres Family Campground**.

Within the campground, you will find so much to do. We offer everything from volleyball, bingo and shuffleboard to badminton, horseshoes and sing alongs! Nearby attractions are also plentiful, and include Mystic Aquarium and Seaport, Gillette's Castle and Connecticut Wineries just to name a few.

Hidden Acres Campground also has a wide variety of amenities to make your stay with us as comfortable as possible. We offer a general store for your camping needs, laundromat, coin showers and with over 200 wooded sites, you are sure to find just the right spot.

So come on by, bring the family, and have some fun with us at **Hidden Acres Family Campground!**
